### **Updates on Keppel Subic Shipyard incident**

*To be attributed to Mr Mok Kim Whang, President and General Manager,  
Keppel Subic Shipyard:*

We are deeply saddened that one of the seven injured workers had passed away in Our Lady of Lourdes International Medical Center, Olongapo City at around 10.15pm last night, on 7 October 2011. This brings the total number of fatalities to six. They were Cris Xander Papna, Jhay Lord Reyes, Glenn Miranda and Ronaldo Bagay who were project employees of Keppel Subic Shipyard (KSS) and Mark San Juan and Ronald Lara, who were from Garcia & Rocafor General Services (G&R), the yard's subcontractor.

Of the six injured workers, Berlindo Asinas and Eleazar Elope Jr. are KSS project employees while Albert Recana, Alvin Penaverde, Wendy May Balaba and Belmore Dela Vega are workers from G&R. Currently, three of them are in stable condition and the other three are still warded in the intensive care unit.

The yard has suspended work on this vessel pending further investigation.

We are saddened that this incident has happened and our foremost thoughts are with the affected workers and their families. We would like to offer our sincere condolences once again to the families of the victims and are extending the necessary funeral and financial assistance to the victims and their families.

A taskforce comprising senior management from KSS and headquarters from Singapore has been formed to look into further enhancing safety at the yard.

The investigation is on-going, and we continue to cooperate fully with the authorities in the Philippines.
